CHARACTER MEMO

STEREOTYPICAL, ESSENTIAL MAD SCIENTIST FOR A SECRET EVIL ORGANIZATION.

WITHOUT HER, THE CHAOTIC FEEL OF RX GROUP WOULD LIKELY BE HALVED.

THANKS TO HER, THE VERY PROGRESSION OF THIS MANGA HAS BECOME LIVELIER. IF NOTHING ELSE, FOR THE MOMENT, SHE'S INCREDIBLY CONVENIENT WHEN I WANT TO TELL A STORY WHERE SOMETHING BIG HAPPENS.

BECAUSE SHE'S INDIFFERENT TO ANYTHING BESIDES RESEARCH, INVENTIONS, AND EXPERIMENTS, HER HAIR AND CLOTHING ARE A MESS, AND FEMININITY MEANS VERY LITTLE TO HER.

...BUT WITH HER QUITE STUNNING BODY AND INABILITY TO SLEEP WITHOUT BEING NAKED, AMONG OTHER THINGS, SHE'S MASTERED SOMEWHAT RANDOM ELEMENTS OF SEX APPEAL...

SHE'S GOOD FOR BOTH GAGS AND EROTIC MATERIAL.

HOW CONVENIENT SHE IS (PERIOD).
